

SPONSORSHIP OPPORTUNITIES

FUNDAMENTAL SKILLS... FAIR PLAY... FAMILY INVOLVEMENT... FUN !!

ABOUT THE CLUB

Cloverdale Comets Diamond Sports Association was formed in 2006 by a group of parents who wanted to teach both children and adults the fundamentals of diamond sports through fun, fair play and family involvement. Now, over fifteen years later, Comets have over 200 players ranging in age from kindy to parents and grandparents! We have Tee-ball for boys and girls aged 4-12 at Redcliffe Park in Redcliffe each Saturday morning during Summer.

Softball is played at both Redcliffe Park and Dale Districts in Langford during both Summer and Winter. We have teams for men, women and junior players in Winter. Additionally, we also have women’s social teams playing in Summer.

Summer season is September – March (registration August/September) and Winter is April – September (registration March/April).

The club is run entirely by volunteers and has an active and dedicated Committee which works hard to make sport accessible to all and provide the best possible experience for all players and their families. Sponsorships pay for bats, balls, bases, helmets, uniforms, shelters, and resources to help everyone enjoy their diamond sport experience!!
